## VEGAN MENU

IN KANSAS CITY CALL (816) 363-5242

IN LEE'S SUMMIT CALL (816) 875-2121

We have done everything within our power to assure that this menu is vegan. That being said, we are not trained dieticians and we cannot be held responsible for any errors or inaccuracies. When in doubt, please refrain from ordering that item. Questions? Please call.

Please explicitly state any special needs.

**\*\*\*What we have always referred to as "Garlic Butter" is actually garlic infused margarine that is 100% vegan. All of our breads and crusts are brushed with this before cooking. It can be omitted if requested.\*\*\***

**\*\*\*We use Follow Your Heart Vegan Gourmet mozzarella. We run our pizzas through the oven longer when using this cheese so that it melts thoroughly. This will give you an extra crispy crust. If you do not want an extra crispy crust we can cook it for less time.\*\*\***

**\*\*\*Substituting vegan mozzarella does add to the cost of your pizza. It is the equivalent of an extra topping for the size you are ordering.\*\*\***
